SPECIAL SALE No. 74 - CLOSING DATE - WEDNESDAY 12th APRIL, 1989

Dear Collector Friend,

We are pleased to present an outstanding Sale which includes the Brian Thompson Collection of Jamaica Postal History & Stamps. This collection has won a number of awards and includes some Very Rare Items, some of which are Unique. Whether you collect Jamaica or not, you will find some very fine material right across the entire Caribbean Area.

VIEWING - Due to the amount of interest in this Sale there is sure to be a much higher demand for our FREE Photocopy Service than usual. If you require Photostats of any Lots please remember to enclose a SAE and make your request as EARLY as possible. This service is available to prospective BIDDERS only. Special Private Viewing can be arranged by Appointment. (Note:- NO SUNDAY VIEWING).

ESTIMATES - We endeavour to set ESTIMATES that are REALISTIC as we believe that this is far better for the Collector than showing either very "Low Estimates" or exceedingly "High" ones. It is our experience over some 12 years that most LOTS realise between 15% plus or minus of ESTIMATE. Very Rare or Unusual Items do attract alot of BIDS and may go much higher. BUY BIDS are not accepted so please BID up to the amount you would if you were in a Live Auction Room. No Lot will be sold for less than 75% of the ESTIMATE. In the event of a Single Bid being received which is above ESTIMATE the Price will not exceed the ESTIMATE, the actual price depending any Reserve.

Finally, please remember to POST YOUR BID EARLY. If you are interested in a number of Lots but cannot afford them all, then why not BID on as many Lots as you like and set a MAXIMUM SPEND LIMIT?

Happy Hunting,

Malcolm & Janet Watts
