## CONDITIONS OF SALE

Every lot offered at this auction is offered subject to the Philatelic Auctioneers' Standard Terms and Conditions of Sale which are as follows :—

1.—The highest bidder for each lot shall be the purchaser thereof. If any dispute arises as to the highest bidder the Auctioneer shall determine the dispute and may put up again and re-sell the lot in respect of which the dispute arises.

2.—(a) The bidding and advances shall be regulated by and at the discretion of the Auctioneer, and he shall have the right to refuse a bid.

(b) The purchaser of each lot shall at the sale if required (i) give his or her name and address to the Auctioneer, and/or (ii) pay into the hands of the Auctioneer at his discretion either the whole or part of the purchase money. If any purchaser fails to comply with the foregoing conditions the Auctioneer may put up again and re-sell any lot in respect of which such failure is made; if upon such re-sale a lower price is obtained for such lot than was obtained on the first sale the difference in price shall be made good by (and a debt due from) the purchaser in default upon the first sale.

(c) Where an agent purchases on behalf of an undisclosed client such agent shall be personally liable for payment of the purchase price to the Auctioneer and for safe delivery of the lot to the said client.

3.—(a) The Auctioneer reserves the right to bid on behalf of Clients and Vendors, but shall not be liable for errors or omissions in executing instructions to bid.

(b) The Auctioneer reserves the right before or during a sale to group together lots belonging to the same Vendor, or to split up and/or to withdraw any lot or lots.

4.—Each lot shall be at the purchaser's risk from the fall of the hammer and must be paid for in full before delivery and must be taken away at his or her expense by a purchaser in the United Kingdom within seven days of the date of sale and by a purchaser overseas within a reasonable time. If any purchaser fails to pay in full for any lot within the said time such lot may at the Auctioneer's discretion, be put up for Auction again or sold privately; if upon such re-sale a lower price is obtained for such lot than was obtained on the first sale the difference in price and the expense of such re-sale shall be made good by (and a debt due from) the purchaser in default upon the first sale.

5.—The Auctioneer shall not be liable for any default of the Purchaser or Vendor.

6.—(a) Unless otherwise indicated each lot is sold as genuine and properly described.

(b) If after the sale the purchaser of a lot shall prove it to be not genuine or wrongly described the purchaser shall be at liberty to reject the lot provided he or she—(i) being within the United Kingdom within seven days or being overseas within a reasonable time of the date of the sale give notice in writing to the Auctioneer of intention to question as the case may be the genuineness or description of the lot, AND (ii) within thirty days of the date of the sale (or, in exceptional cases, such longer time as may in the Auctioneer's discretion be allowed for expertising) returns such lot to the Auctioneer. NOTE: The onus of proving a lot to be not genuine or wrongly described lies with the purchaser. Proof of the inability of an Expert Committee to express a definite opinion will not discharge such onus.

(c) No lot may be rejected if subsequent to the sale it has been immersed in water or treated by any other process unless the Auctioneer's permission to subject the lot to such immersion or treatment has first been obtained.

(d) Lots stated to contain collections and/or undescribed stamps must be taken with all faults and errors as to numbers (if any), and by reason of the foregoing a purchaser of any such lot shall have no right to reject the same.
