## CONDITIONS OF SALE

Every lot offered at this auction is offered subject to the Philatelic Auctioneers' Standard Terms and Conditions of Sale which are as follows:—

1.—The highest bidder for each lot shall be the purchaser thereof. If any dispute arises as to the highest bidder the Auctioneer shall determine the dispute and may put up again and re-sell the lot in respect of which the dispute arises.

2.—(a) The bidding and advances shall be regulated by and at the discretion of the Auctioneer, and he shall have the right to refuse a bid.

(b) The purchaser of each lot shall at the sale if required (i) give his or her name and address to the Auctioneer, and/or (ii) pay into the hands of the Auctioneer at his discretion either the whole or part of the purchase money. If any purchaser fails to comply with the foregoing conditions the Auctioneer may put up again and re-sell any lot in respect of which such failure is made; if upon such re-sale a lower price is obtained for such lot than was obtained on the first sale the difference in price shall be made good by (and a debt due from) the purchaser in default upon the first sale.

(c) Where an agent purchases on behalf of an undisclosed client such agent shall be personally liable for payment of the purchase price to the Auctioneer and for safe delivery of the lot to the said client.

3.—(a) The Auctioneer reserves the right to bid on behalf of Clients and Vendors, but shall not be liable for errors or omissions in executing instructions to bid.

(b) The Auctioneer reserves the right before or during a sale to group together lots belonging to the same Vendor, or to split up and/or to withdraw any lot or lots.

4.—Each lot shall be at the purchaser's risk from the fall of the hammer and must be paid for in full before delivery and must be taken away at his or her expense by a purchaser in the United Kingdom within seven days of the date of sale and by a purchaser overseas within a reasonable time. If any purchaser fails to pay in full for any lot within the said time such lot may at the Auctioneer's discretion, be put up for Auction again or sold privately; if upon such re-sale a lower price is obtained for such lot than was obtained on the first sale the difference in price and the expense of such re-sale shall be made good by (and a debt due from) the purchaser in default upon the first sale.

5.—The Auctioneer shall not be liable for any default of the Purchaser or Vendor.

6.—(a) Unless otherwise indicated each lot is sold as genuine and properly described.

(b) If after the sale the purchaser of a lot shall prove it to be not genuine or wrongly described the purchaser shall be at liberty to reject the lot provided he or she—(i) being within the United Kingdom within seven days or being overseas within a reasonable time of the date of the sale give notice in writing to the Auctioneer of intention to question as the case may be the genuineness or description of the lot, AND (ii) within thirty days of the date of the sale (or, in exceptional cases, such longer time as may in the Auctioneer's discretion be allowed for expertising) returns such lot to the Auctioneer. **NOTE:** The onus of proving a lot to be not genuine or wrongly described lies with the purchaser. Proof of the inability of an Expert Committee to express a definite opinion will not discharge such onus.

(c) No lot may be rejected if subsequent to the sale it has been immersed in water or treated by any other process unless the Auctioneer's permission to subject the lot to such immersion or treatment has first been obtained.

(d) Lots stated to contain collections and/or undescribed stamps must be taken with all faults and errors as to numbers (if any), and by reason of the foregoing a purchaser of any such lot shall have no right to reject the same.

## GILBERT WILLIAM COLLETT

by  
H. R. Holmes, F.R.P.S.L.

GILBERT WILLIAM COLLETT, who died on July 24th, 1964, at the age of 76, was the last of that coterie of English philatelists, the others being the Rev. C. S. Morton, W. Buckland Edwards, and L. C. C. Nicholson, who along with three Jamaican philatelists produced *Jamaica. Its Postal History, Postage Stamps, and Postmarks*. This book, which was published in 1928, is in many respects the ideal for a work of this kind, and although written so long ago it remains the standard work. Gilbert Collett formed a notable collection of the stamps of this country, and his quality as a philatelist is reflected in the magnificent lot he gathered together. Although the stamps of Jamaica were his favourite philatelic interest, they did not claim his sole attention and his other collections were quite extensive.

He was elected to the Royal Philatelic Society in 1927, and on many occasions showed some of his stamps at its meetings. For ten years he was Assistant Honorary Secretary to the Philatelic Congress of Great Britain (1930-40), and in 1932 he also shouldered the duties of Honorary Treasurer of that body, retaining the position until 1959. Congress recognised his services by electing him an Honorary Life Member on his retirement. In 1952 he had signed the Roll of Distinguished Philatelists.

In addition to his philatelic interests, he was also a distinguished botanist, and for sixteen years was the Honorary Treasurer of the Natural History Section of the Wiltshire Archaeological and Natural History Society. After retiring from business to live in Chippenham he made a profound study of the local flora, collaborating in the publication of *The Flora of Wiltshire*, in 1957.
