## THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THE CONDITIONS OF SALE

### CONDITIONS OF SALE BIDDING

1. All bids are per lot, as numbered in the catalogue. Harmers of New York Inc. (hereinafter "Harmers") reserves the right to withdraw any lot prior to sale, to divide a lot or to group two or more lots.
2. The highest bidder shall prevail. Should a dispute arise between bidders, the decision of the auctioneer as to the successful bidder or the re-offering or resale of the lot in dispute shall rest entirely in the judgment of the auctioneer.
3. The auctioneer shall regulate the bidding and reserves the right to refuse any bid believed by him not to be made in good faith.

### PAYMENT FOR PURCHASES

4. Payment for lots, including those on which opinions are desired under Condition of Sale 8, shall be made as follows:
  - (a) **FLOOR BIDDERS.** The name and address of the buyer of each lot shall be given to the auctioneer immediately following the sale of such lot. Payment of the entire purchase price, or part thereof, shall be made by the buyer in such manner as Harmers may determine.
  - (b) **MAIL BIDDERS.** A successful mail bidder will be notified of lots purchased and must remit before the lots are sent. A person known to Harmers, or who furnishes satisfactory references, may at Harmers' option have purchases forwarded for immediate payment. Delivery will be to the address on the bid sheet. Proof by Harmers of receipt of a sending at the advised address shall constitute delivery. A minimum charge of 75c will be made for postage, insurance and handling.
5. Title shall not pass to the buyer until full payment has been received by Harmers.
6. Buyers agree to pay for lots as specified above and no credit is extended; a late payment charge of 1½% per month is added to overdue payments.

### QUALITY AND AUTHENTICITY

7. Each lot is sold as genuine and correctly described based on individual description as modified by any specific notations in this catalogue including (but not restricted to) "Key to Cataloguing".
  - (a) **QUALITY.** Any lot, description of which is incorrect, is returnable within two weeks of receipt and must be received by Harmers within four weeks from date of the auction. If the opinion of a mutually acceptable authority is desired, this period will be extended as noted in Condition 8. All disputed lots must be returned intact in the condition received. The following lots are not returnable except at the discretion of Harmers: lots from buyers who had the opportunity to examine them before the auction; stamps on account of appearance when they are illustrated in this catalogue.
  - (b) **AUTHENTICITY.** Any lot which is declared otherwise than as genuine by a mutually acceptable authority is returnable provided the lot is received by Harmers within a period of four weeks from the date of the auction. Proof that a "mutually acceptable authority" declines to express an opinion is normally grounds for the return of a lot. In the case of United States stamps the "mutually acceptable authority" shall normally be The Philatelic Foundation of New York.

### EXTENSION OF TIME

8. When an opinion from a mutually acceptable authority is not expected within four weeks from the date of the auction, the buyer shall
  - (a) submit the lot without delay to a mutually acceptable authority;
  - (b) ensure that advice in writing to this effect (preferably on the form supplied) be received by Harmers within 25 days of the auction.No lot will be accepted back under any circumstances more than four months after the auction date.

### EXPENSES OF CERTIFICATION

9. Expenses shall be borne by the buyer except where the lot is other than as described and is returned within the conditions set forth above, and Harmers' responsibility is expressly limited to:
  - (a) The actual cost of the opinion if \$10 or less, or
  - (b) The cost of the opinion up to 5% of the sale price but not exceeding a maximum of \$50.Harmers are not responsible for expenses of the the return of any lot.

### SALES TAX

10. The New York State Sales Tax is payable by a buyer liable to the tax.

## THE POSTAL HISTORY AND STAMPS OF BERMUDA

by M. H. Ludington

The original book appeared in 1962 with a supplement in 1968. Both have been long out of print, and much of the information has become outdated.

This new book is more than a new edition of the old. Everything has been thoroughly revised and corrected and much new information has been added throughout. Several chapters have been completely rewritten, and as far as possible the former supplement has been incorporated in the main text. An index covering the postal history has been added, which should prove most useful.

This 432-page hard bound, buckram volume is the standard reference in its field.

THE POSTAL MARKINGS OF BERMUDA

*The types referred to in parenthesis are those employed by Mr. Ludington. For quick reference the type is quoted in parenthesis before the description.*

On flap red oval "Forwarded by MIDDLETON & CO. NEW-YORK"; fine. Est. Cash Val. \$500 (Photo)  
*An interesting and probably unique combination of a U.S. local marking and a Bermuda Ship Letter marking*  
*Illustration on page 5*

- 3 (S1) (1845), folded letter, New York Feb. 27th to St Georges, light red impression of BERMUDA SHIP LETTER (S1); neat letter with filing fold. Est. Cash Val. \$400 (Photo)
- 4 (S1) (1851), folded letter, Turks Islands to Hamilton, via New York, Nov. 25, good impression of two-line red BERMUDA SHIP LETTER and ms. 4 on front, black oval Middleton forwarder on flap, filing crease, very fine. Est. Cash Val. \$1000 (Photo)

## BLOCKADE RUNNER COVER

- 5 1864, a letter; headed Petersburg Aug 4, 1864 in an envelope addressed (in the same handwriting) to Baltimore, Md.; envelope bears red c.d.s. BERMUDA ST. G PAID 30 JY 64 (earliest date known), black c.d.s. BOSTON MASS AUG 12 10, red 4 ms. marking. On reverse in ms. "Forwarded by James Thorrold St. Georges, Bermuda". There are numerous pencil comments such as "Uncle Jim, captured June 15, 1864 near Petersburg. Was pardoned and reached home Oct. 17", etc. Envelope somewhat damaged at edges. Est. Cash Val. \$2,500-5,000 (Photo)

The explanation of Sir Henry is:"

*It is probable that this letter was carried from Wilmington to Bermuda by the North Heath. It is believed that the letter left Bermuda in a sealed bag for Halifax by Alpha Aug. 2nd, 1864 and was transferred on arrival to British barque Halifax arriving Boston on Aug. 11th and next day received the Boston "10" applied to letters received from foreign countries where no postal convention existed with the U.S.A. as in the case of Bermuda.*

*On the flap of the envelope it is noted that the letter was forwarded by James Thorrold St. Georges, Bermuda. Thorrold was the agent for Albion Trading Co. Ltd. which owned four blockade runners Emily, Minnie, Helen & North Heath. John Tory Bourne the Confederate commercial agent was appointed to work in conjunction with Thorrold.*

*The "4" in manuscript represents the amount due G.P.O. London - another penny was collected for local postage, possibly.*

Up to 1962 Ludington had not seen an example of this postmark (PM3) on cover. In his "Supplement" of 1968 he reports examples and suggests Ireland Island as the source. This letter relating to problems within the Methodist Church comes from a missionary of the Church, Theophilus Pugh . H.M.S. Andromache, with a Packet Mail, sailed from Ireland Isle 20 Nov. 1839 to England.

- 28 (PM4) 1858, Hamilton to ?, buff envelope, somewhat spotty with strong strike of + HAMILTON + BERMUDA NO 1 1858 (PM4) ms. 4 crossed out with ms. 8 replacing it. The entire is addressed to "Bermuda" but bears ms. "E. Barss", a Bermuda-owned barque. Fine. Est. Cash Val. \$300 (Photo)

### CONDITION

The various gradings of stamps are, in order:

superb; extremely fine; very fine; fine; fair

A lot described as "fair" is so listed either by reason of general appearance or more often because of a small fault or faults, such as a crease, thin spot, short or missing perf, perforated into, cut into, etc.

In the case of sets, large blocks, sheets, etc., the condition quoted represents the average and quality above and below this standard can be expected.

### GUM

n. h.	=	Never hinged — unused with original gum in Post Office state and unmounted.
l. h.	=	Lightly hinged — unused with full original gum showing some evidence of a previous hinge, which may be present in part or entirely removed.
o. g.	=	Original gum — unused with original gum somewhat disturbed by previous hinging which may still be present.

### CATALOGUE NUMBERS

The catalogue numbers of the contents of the lots are given in parentheses immediately following the descriptions, but in bulky lots only the range of issue is shown.

### CATALOGUE VALUES

The final column shows the catalogue value of the lot. This is shown in parentheses where, in the opinion of the auctioneer, the market value exceeds this figure.

### ESTIMATED VALUES

Where an estimated value is given, it is shown in the description and always indicated by the abbreviation "Est. Cash Val." It is used where the lot is large or where the actual value has little relation to the catalogue price.

It represents the auctioneer's appraisal of the true MARKET value of a lot and the figure is invariably close to the actual realization. It is useless for mail bidders to list any bids that are only a low proportion of such estimates.
