IMPORTANT INFORMATION

Trade embargoes are currently imposed by the United Nations against Iraq, Serbia and Montenegro.

These prohibit us from accepting bids from any person in these countries (including anybody controlled by residents or companies in these countries, wherever carrying on business), or from any other person where we have reasonable cause to believe that (i) the Lot(s) will be supplied or delivered to or to the order of a person in one of these countries or that (ii) the Lot(s) will be used for the purposes of any business carried on, in or operated from these countries.

Acceptance of any bid by the auctioneer is conditional upon the above not being applicable.

For assistance and further details please contact the Company Secretary's Office prior to bidding.

*PHILATELIC AUCTIONEERS' STANDARD TERMS AND CONDITIONS OF
SALE (1973 REVISION)*

subject to which all lots are offered at this auction at which members of the public are present in person bidding against each other for themselves or as agents.

The *PHILATELIC AUCTIONEERS' STANDARD TERMS AND CONDITIONS OF SALE (1973 REVISION)* apply only to an auction sale which includes members of the public present in person bidding against each other for themselves or as agents.

The *PHILATELIC AUCTIONEERS' STANDARD TERMS AND CONDITIONS OF SALE (1973 REVISION)* do not apply to any "postal auction" at which "bids" consist exclusively of written or telephoned offers to buy at stated prices or limits and which does not include members of the public present in person bidding against each other for themselves or as agents.

NOTICE

The auctioneers exercise all reasonable care to ensure that all statements as to cancellation, centring, colour, condition, date of issue or of postal markings, gum, margins, paper, perforation, printing, provenance, quality, sheet position, status, usage, watermark, etc. in lot descriptions are reliable and accurate, and that each item is genuine unless the contrary is indicated. However, the statements are not intended to be, are not and are not to be taken to be, statements of fact or representation of fact in relation to the lot. They are statements of the opinion of the auctioneers, and attention is particularly drawn to clause 5 of the *PHILATELIC AUCTIONEERS' STANDARD TERMS AND CONDITIONS OF SALE (1973 REVISION)* set out below. Comments and opinions, concerning the characteristics mentioned above, which may be found in or on lots as notes, lists, catalogue prices, writing-up or any other means of expression, do not constitute part of lot descriptions and are not to be taken as such unless they are made or specifically verified by the auctioneers.

Clause 1

- (a) Each lot is put up subject to any reserve price imposed by the vendor.
- (b) Subject to sub-clause (a) of this clause, the highest bidder for each lot shall be the purchaser thereof.
- (c) If any dispute arises as to the highest bidder the auctioneer shall have absolute discretion to determine the dispute and may put up again and re-sell the lot in respect of which the dispute arises.

Clause 2

- (a) The bidding and advances shall be regulated by and at the absolute discretion of the auctioneer and he shall have the right to refuse any bid or bids.

NOTE: Where an agent bids, even on behalf of a disclosed client, the auctioneer nevertheless has the right at his discretion to refuse any such bid.

- (b) The purchaser of each lot shall immediately on its sale if required by the auctioneer to give him the name and address of the purchaser and pay to the auctioneer at his discretion the whole or part of the purchase money. If the purchaser of any lot fails to comply with any such requirement the auctioneer may put up again and re-sell the lot; if upon such re-sale a lower price is obtained than was obtained on the first sale the purchaser in default on the first sale shall make good the difference in price and expense of re-sale which shall become a debt due from him.
- (c) Where an agent purchases on behalf of an undisclosed client such agent shall be personally liable for payment of the purchase money to the auctioneer and for safe delivery of the lot to the said client.

Clause 3

- (a) The auctioneer reserves the rights to bid on behalf of clients and vendors, but shall not be liable for errors or omissions in executing instructions to bid.
- (b) The auctioneer reserves the rights before or during a sale to group together lots belonging to the same vendor, to split up and to withdraw any lot or lots at the auctioneer's absolute discretion and without giving any reason in any case.
- (c) The auctioneer acts as agents only, and therefore shall not be liable for any default of the purchaser or vendor.

Clause 4

- (a) Each lot shall be at the purchaser's risk from the fall of the hammer and shall be paid for in full before delivery and taken away at his expense by a purchaser in the United Kingdom within 7 days from the date of sale and by a purchaser overseas within 14 days from the date of sale or such longer time as shall be agreed in writing between the auctioneer and the purchaser.
- (b) If any purchaser fails to pay in full for any lot within the time stated in sub-clause (a) of this clause such lot may at any time thereafter at the auctioneer's discretion be put up for sale by auction again or sold privately; if upon such re-sale a lower price is obtained than was obtained on the first sale the purchaser in default on the first sale shall make good the difference in price and the expenses of re-sale which shall become debt due from him.
- (c) Interest shall be payable by the purchaser on any overdue account, but the auctioneer shall have a discretion to waive payment of the interest.

Clause 5

- (a) Each lot is sold as – (i) genuine unless otherwise described in the sale catalogue or by the auctioneer, and (ii) correctly described. The date of any certificate forming part of the description of any lot will be included in the description.
- (b) A purchaser shall be at liberty to reject any lot if he – (i) gives the auctioneer written notice of intention to question the genuineness or, as the case may be, the accuracy of description of the lot within 7 days (or, in the case of an overseas purchaser, a reasonable time) from the date of sale; AND (ii) proves that the lot is not genuine or was incorrectly described; AND (iii) returns to the auctioneer within 30 days from the date of the sale the lot in the same condition as it was at the time of sale; provided that the auctioneer may, at his discretion, on receiving a request in writing from the purchaser, extend for a reasonable period the time for return of the lot to enable it to be submitted to expertisation.

NOTE: The onus of proving a lot not to be genuine or incorrectly described is on the purchaser. The inability of a recognised expert committee to express a definite opinion shall serve to discharge the onus on the purchaser and shall be a ground for rejecting the lot concerned.

- (c) Where a lot has been submitted to expertisation, all costs of such expertisation shall be paid by the person who retains the certificate and item or items to which the certificate relates.
- (d) Where the purchaser of a lot discharges the onus and acts in accordance with sub-clause (b) of this clause, the auctioneer shall rescind the sale and repay to the purchaser the purchase money paid by him in respect of the lot.
- (e) No lot shall be rejected if, subsequent to the sale, it has been immersed in water, marked by an expert committee or treated by any other process unless the auctioneer's permission to subject the lot to such immersion or treatment has first been obtained in writing.
- (f) Any lot listed under "collections and various" or stated to comprise or contain a collection, issue or stamps which are undescribed shall be put up for sale not subject to rejection and shall be taken by the purchaser with all (if any) faults, lack of genuineness and errors of description and numbers of stamps in the lot, and the purchaser shall have no right to reject the lot; except that, notwithstanding the foregoing provisions of this sub-clause, where before a sale a person intending to bid at the sale gives notice in writing to, and satisfies the auctioneer that any such lot contains any item or items undescribed in the sale catalogue and that person specifically describes that item or those items in that notice, then that item or those items shall, as between the auctioneer and that person, be taken to form part of the description of the lot.
- (g) No lot illustrated in the catalogue shall be rejected on the ground of cancellation, centring, margins' perforation or other characteristic clearly apparent from illustration.

Attention is drawn to the Conditions of Sale, Clause 5 and paragraph "Lot purchases subject to extensions". You must advise Phillips immediately on receipt of the lots if you have any queries or intend submitting individual items for an expert committee opinion. In any event full payment for purchases must be made and refunds will be made in the event of a lot being rejected.

Dr. R. P. Towers MD, FRCPI,
FRCPATH., FFPATHRCPI.

Dr. R. P. Towers is a native of Dublin, where he qualified in medicine. After training in Dublin and in the U.K. he was appointed a consultant pathologist to St. Vincent's Hospital, Dublin, from which he retired, as Head of Department, in 1992. During his career he served on many medical bodies and committees and was President of the Royal Academy of Medicine in Ireland in its centenary year. He was the first Dean of the then newly formed Faculty of Pathology of the Royal College of Physicians of Ireland in 1981.

His interest in the stamps goes back nearly 60 years. His collection of Grenada commenced some 30 years ago when a chance purchase of a number of the early issues enabled him, as he says, "to get a feel for" the various printings. It grew to encompass postal history, postal stationery and revenue stamps as well as traditional adhesive postage stamps. His first foray into competitive philately led to a bronze medal at London 1970, followed by a number of gold medals and vermeil at Stampa, the Irish National Exhibition. A return to the international scene saw Large Vermeil awards at Melbourne 1984, Stockholm 1986, Toronto 1987 and Wellington 1990, and culminated in a gold medal at London 1990.

In addition to Grenada, Dr. Towers admits to collecting the rest of the British Commonwealth but tries to keep quiet about it as he fears that so many people might see this as evidence of at least incipient insanity! However, his wife, who says she was jealous of his stamps in their earlier married life, is now happy that they occupy so much of his time and thoughts in retirement. "Leave him alone and he'll play for hours" is her motto.

As well as being a Fellow of the Royal Philatelic Society, London, Dr. Towers is also a member of the Irish Philatelic Society, of which he is a Past President, the Dublin Stamp Society, The British West Indies Study Circle and the British Caribbean Philatelic Study Group. He is a past Chairman of the Federation of Philatelic Societies of Ireland, a signatory of the Roll of Distinguished Philatelists of Ireland and served on the Philatelic Advisory Committee of the now-defunct Irish Department of Posts and Telegraphs.

ESTIMATES

The estimates quoted in this catalogue are intended as a guide for prospective purchasers. Any bid near the figures quoted would, in our opinion, offer a fair chance of success. All lots however, depending of the degree of competition can realise prices either above or below what we think. It is often advisable to consult us nearer the time of the sale as estimates can be subject to revision.

Please bid as early as possible. In the event of identical bids, the earliest takes precedence.

BUYERS' PREMIUM

All lots are subject to a premium of 10% (+ V.A.T. at the standard rate) on the hammer price, payable by the buyer.

PURCHASERS AND VAT

If no asterisk appears against the number of a lot shown in this catalogue, no VAT will be payable on the hammer price of that lot.

VAT will be payable by all purchasers on the hammer price of lots shown with an asterisk against the lot number except where:-

- a The purchaser is registered for VAT in a member state of the EC (other than the UK), provided that:-
 - (i) they have supplied Phillips with written confirmation prior to the sale that they are registered for VAT in their own country. This confirmation should clearly state the purchaser's VAT registration number and national prefix; and
 - (ii) they produce to Phillips satisfactory proof that the lot has been exported from the UK.
- b The purchaser is resident outside the EC and either instructs Phillips to export the lot by post or other direct carrier or provides Phillips with satisfactory proof of export of the lot from the EC.
