## CONDITIONS OF SALE

NOTICE. Robson Lowe Ltd., the Auctioneers, exercise the utmost care to ensure that all statements as to cancellation, centring, colour, condition, date of issue or of postal marking, gum, margins, paper, perforation, printing, provenance, quality, sheet position, status, usage and watermark, etc., in the lot descriptions are reliable and accurate and that each item, unless the contrary is indicated, is genuine and authentic. The statements, however, are not intended to be, are not and are not to be taken to be statements of fact or representations of fact. They are statements of the opinion of the Auctioneers, and attention is particularly drawn to clause 6 of the Philatelic Auctioneers' Standard Terms and Conditions of Sale below. Unless made by Robson Lowe Ltd. comments and opinions concerning the points previously mentioned which may be found in or on lots in the form of notes, lists, writing-up or any other means of expression, do not constitute a part of the lot description and are not to be taken as such.

1. The purchaser to be the highest bidder. Any dispute arising as to the highest bidder to be determined by the Auctioneer who may re-offer any disputed lot.
2. (a) The bidding and advances to be regulated at the Auctioneer's discretion.  
(b) If so required, buyers to give their names and addresses and/or to pay down the whole or part of the purchase price at the sale. Failure to comply with these rules in respect of any lot entitles the Auctioneer to re-sell the lot, any deficiency being made good by the defaulter.  
(c) Agents bidding on behalf of undisclosed clients do so on their own responsibility both for payment and safe delivery of the lots.
3. The Auctioneer reserves the right to bid on behalf of Clients and Vendors, but shall not be liable for any errors or omissions in executing instructions to bid.
4. The buyer of each lot to be responsible for it from the time it is "knocked down". Payment to be made in full before delivery and the lot to be removed by United Kingdom buyers within seven days and by Overseas buyers within a reasonable time. Failure to pay in full within such period entitles the Auctioneer to re-sell the lot, any deficiency being made good by the defaulter.
5. The Auctioneer shall not be liable for any default of the Purchaser or Vendor.
6. (a) Each lot is sold as genuine and correctly described.  
(b) The purchaser to be at liberty to reject the lot by giving written notice within seven days (or, in the case of Overseas buyers, within a reasonable time of the date of the sale) if he proves that the lot is not genuine or is incorrectly described and returns the lot within thirty days of the sale (or within such longer period as the Auctioneer may at his discretion allow). The onus of proving a lot to be not genuine or wrongly described lies with the purchaser; proof of the inability of an Expert Committee to express a definite opinion will not discharge this onus.  
(c) No lot to be rejected if, subsequent to the sale, it has been immersed in water or treated by any other process unless the Auctioneer's permission to subject the lot to such immersion or treatment has first been obtained.  
(d) The above provisions of this clause do not apply to mixed lots and collections containing undescribed stamps.

## SPECIAL CONDITIONS

1. Failure on the part of a bidder or purchaser to comply with the conditions, a synopsis of which is printed above, entitles the Auctioneer to cause the bidder or purchaser to forfeit any deposit held. Any uncleared lots after seven days may be re-sold by public or private sale and any deficiency shall be made good by the defaulters.
2. Lots purchased on behalf of mail bidders will be forwarded by the most practical method at the risk of the purchaser who shall bear all charges incurred.
3. The Auctioneer shall not be liable for any omission or errors made by clients when sending their instructions to bid.
4. If a purchaser wishes to obtain an expert opinion on any lot (not being a mixed lot or a collection containing undescribed stamps), the Auctioneer may, if so requested in writing within seven days of the date of the sale (or in the case of overseas buyers within seven days of receipt of the lot), extend the period within which the lot may be rejected to not later than sixty days from the date of the sale. Where such extensions are requested, the purchaser shall give notice in writing to the Auctioneer. After re-examination of the lot by the Auctioneer the purchaser shall, if agreed by the Auctioneer, submit the lot to a mutually acceptable expert body. Where a second opinion is required, the item must be sent to an authority whose competence to express an accurate opinion has previously been agreed by the auctioneers. Extensions necessitating more than sixty days from the date of the sale will, unless the circumstances are exceptional, only be granted if the permission of the vendor for a longer extension has been obtained by the Auctioneer prior to the sale. The Auctioneer will require the lot to be paid for pending the receipt of the expert opinion, the cost of which is the liability of the buyer. If an extension is required on an item which already possesses a certificate dated within ten years of this sale, written notice must be given at least two weeks prior to the auction in order that the owner's permission for further expertisation may be obtained.
5. The right to refuse admission to the Auction Room is reserved.
6. Bids from minors will not be accepted unless accompanied by a full cash deposit or by suitable guarantees. New clients must send references in advance or a full cash deposit.
7. All purchases made by residents in the Dollar Area must be paid for in Dollars at the controlled rate of exchange or by Sterling Draft.
8. Interest at 1% for the first month or part of a month and 1½% per month for any further credit, is charged on all auction accounts if payment is not made within seven days of the date of the Sale (Overseas Buyers within seven days of the receipt of the invoice). When paying in any currency other than sterling, 1% must be added to the account to allow for bank transfer costs.
9. Stamps described as having defects are not returnable on account of their condition. Stamps cannot be returned on account of the centring or the amount of margin when such stamps are illustrated.
10. Any dispute as to the meaning or operation of these Special Conditions or of the Conditions, a synopsis of which is printed above, shall be determined conclusively by the Auctioneer.

## Viewing Arrangements

Lots will be on view in the auction rooms of Robson Lowe Ltd. at 50 Pall Mall

Monday 25th to Friday 29th March 1974	...	...	...	...	10.00 - 17.00 hrs.
Monday 1st April	...	...	...	...	10.00 - 17.00 hrs.
Tuesday 2nd April	...	...	...	...	10.00 - 10.30 hrs.

Lots of a suitable size can be sent through the post for inspection, postage and insurance both ways to be borne by the client.

**FRAGILE LOTS:** In the interest of vendors, where any lot is, in our opinion, of a fragile nature we regret it will not be available on postal inspection.

Clients who cannot conveniently visit the auction rooms at 50 Pall Mall on the viewing days quoted, may view the lots at an earlier date by making an appointment, either by letter or telephone, giving three days' notice, and the time and lots required.

By observing these arrangements it makes it possible for the Inspection Clerk to reserve the lots required (which might otherwise be with a postal viewer) and to have them available on the mezzanine floor when the clients call.

With regard to new clients who request lots for postal viewing, references should be sent in advance.

## Symbols, etc.

The use of symbols following the lot numbers is for the convenience of buyers and indicates:

⊕ unmounted mint ★ unused ○ used ☒ cover △ on piece ⊞ block of four ⊞ block larger than four ④ Air Mail ③ Specimen ② Cancelled ① Essay ① Proof E.L. complete entire with letter and E. without letter T Subject to VAT.

Catalogue values and numbers are those of the latest available Gibbons (£), Scott (\$), Michel (DM), Yvert (FF), or Bolaffi (L). The use of Gibbons Specialised catalogue in Great Britain sales is clearly indicated. Where other catalogues are used they are mentioned by name. The abbreviation "c.d.s." indicates circular date-stamp and "S.T.O." for Stamped to order.

The number in brackets at the end of each description is the number of stamps (or items) in the lot. (Approximate counts are indicated by †).

## Extensions

Extensions should be requested at the time of making a bid. Buyers should complete the special form provided and return it to the Auctioneer who will then re-examine the lot. If it is established that the lot would not obtain a satisfactory certificate the sale of the lot will be cancelled forthwith and the expense and delay of submission to an Expert or Expert Committee avoided. If the re-examination is favourable lots will be delivered to inland purchasers who will be responsible for obtaining the expert opinion; lots purchased by overseas buyers will be submitted on their behalf to an Expert Committee. In no case will extensions be given for "Royal", B.P.A. or other acceptable expert opinions that necessitate more than two months delay from the date of the sale. Should the buyer (or ourselves on behalf of an overseas buyer) fail to secure such opinion within sixty days, the right to return the lot will be forfeited. The only exception is when the permission of the vendor for a longer extension has been obtained prior to the sale. All costs connected with expert opinions are the liability of buyers. When buyers wish to have an extension for a second opinion the item must be sent to an authority whose competence to express an accurate opinion has previously been agreed by the auctioneers and a bid can only be accepted on the understanding that the second opinion is obtained within sixty days of the auction. ANY VARIATION in this condition must be agreed in writing, prior to the auction, between the would-be-buyer and the vendor. All lots on which an extension is granted must be paid for within seven days of the auction.

## Sterling Currency Conversion

At the time of going to press the floating of the pound makes it impossible for us to quote any fixed exchange rates. For the latest rate when bidding you are advised to contact your bank.

Commencing at 10.30 hrs.
