# CONDITIONS OF BUSINESS

Sotheby's carries on business (whether with actual or prospective buyers and sellers or consignors requiring inspection, appraisal or valuation of property or persons reading catalogues, or otherwise) on the following terms and conditions and on such other terms, conditions and notices as may be set out on pages iii to vi of any relevant catalogue. The definition of words and phrases with special meanings appear in Condition 38.

## Conditions mainly concerning buyers

### 1 The Buyer

The highest bidder shall be the buyer at the "hammer price" and any dispute shall be settled at the auctioneer's absolute discretion. Every bidder shall be deemed to act as principal unless there is in force a written acknowledgement by Sotheby's that he acts as agent on behalf of a named principal.

### 2 Minimum Increment

The auctioneer shall have the right to refuse any bid which does not exceed the previous bid by at least 5 per cent or by such other proportion as the auctioneer shall in his absolute discretion direct.

### 3 The Premium

Except in respect of "special category items", the buyer shall pay to Sotheby's a premium of 10% on the "hammer price" together with Value Added Tax at the standard rate on the premium, and agrees that Sotheby's, when acting as agent for the seller, may also receive commission from the seller in accordance with Condition 19.

### 4 Value Added Tax (VAT)

Lots on which Value Added Tax is payable by the buyer on the "hammer price" are indicated in the catalogue with the sign † (where the tax is payable at the standard rate) and with the sign ‡ (where the tax is payable at a different rate). Value Added Tax, the rates of which are subject to alteration by law, is payable at the rates prevailing on the day of the auction.

### 5 Currency Converter

A currency converter will be operated at some auctions but only for the guidance of bidders. Sotheby's will not accept any responsibility in the event of error on the currency converter whether in the foreign currency equivalent of bids in pounds sterling or otherwise.

### 6 Payment

Immediately a lot is sold the buyer shall:—

- (a) give to Sotheby's his name and address and, if so requested, proof of identity; and
- (b) pay to Sotheby's the "total amount due" (unless credit terms have been agreed with Sotheby's before the auction).

7 Sotheby's may, at its absolute discretion, agree credit terms with the buyer before an auction under which the buyer will be entitled to take possession of lots purchased up to an agreed amount in value in advance of payment by a determined future date of the "total amount due".

8 Any payments by a buyer to Sotheby's may be applied by Sotheby's towards any sums owing from that buyer to Sotheby's on any account whatever without regard to any directions of the buyer or his agent, whether express or implied.

### 9 Collection of Purchases

The ownership of the lot purchased shall not pass to the buyer until he has made payment in full to Sotheby's of the "total amount due".

10 (a) The buyer shall at his own expense take away the lot purchased not later than 5 working days after the day of the auction but (unless credit terms have been agreed in accordance with Condition 7) not before payment to Sotheby's of the "total amount due".

(b) The buyer shall be responsible for any removal, storage and insurance charges on any lot not taken away within 5 working days after the day of the auction.

11 For wines, spirits and cigars not available for collection from Sotheby's premises, the supply of a release order

authorising the release of the lot to the buyer will constitute delivery by Sotheby's.

### 12 Buyers Responsibilities for Lots Purchased

The buyer will be responsible for loss or damage to lots purchased from the time of collection or the expiry of 5 working days after the day of the auction, whichever is the sooner, and neither Sotheby's nor its servants or agents shall thereafter be responsible for any loss or damage of any kind, whether caused by negligence or otherwise, while any lot is in its custody or under its control.

13 The buyer of a "motor vehicle" is responsible for complying with the provisions of the Road Traffic Act 1972 and all relevant regulations made under section 40 thereof (including the Motor Vehicles (Construction and Use) Regulations 1973) and any statutory modification thereof.

14 The buyer of a firearm is responsible for obtaining a valid firearm certificate, shot gun certificate or certificate of registration as a firearms dealer and for conforming with the regulations in force in Great Britain relating to firearms, notice of which is published in catalogues of firearms. Sotheby's will not deliver lots to buyers without production of evidence of compliance with this condition.

### 15 Remedies for Non-Payment or Failure to Collect Purchases

If any lot is not paid for in full and taken away in accordance with Conditions 6 and 10, or if there is any other breach of either of those Conditions, Sotheby's as agent of the seller shall at its absolute discretion and without prejudice to any other rights it may have, be entitled to exercise one or more of the following rights and remedies:—

- (a) to proceed against the buyer for damages for breach of contract;
- (b) to rescind the sale of that or any other lots sold to the defaulting buyer at the same or any other auction;
- (c) to re-sell the lot or cause it to be re-sold by public auction or private sale and the defaulting buyer shall pay to Sotheby's any resulting deficiency in the "total amount due" (after deduction of any part payment and addition of re-sale costs) and any surplus shall belong to the seller;
- (d) to remove, store and insure the lot at the expense of the defaulting buyer and, in the case of storage, either at Sotheby's premises or elsewhere;
- (e) to charge interest at a rate not exceeding 1.5% per month on the "total amount due" to the extent it remains unpaid for more than 5 working days after the day of the auction;
- (f) to retain that or any other lot sold to the same buyer at the same or any other auction and release it only after payment of the "total amount due";
- (g) to reject or ignore any bids made by or on behalf of the defaulting buyer at any future auctions or obtain a deposit before accepting any bids in future;
- (h) to apply any proceeds of sale then due or at any time thereafter becoming due to the defaulting buyer towards settlement of the "total amount due" and to exercise a lien on any property of the defaulting buyer which is in Sotheby's possession for any purpose.

### 16 Liability of Sotheby's and Sellers

(a) Subject to the obligations accepted by Sotheby's under this Condition, none of the seller, Sotheby's, its servants or agents is responsible for errors of description or for the genuineness or authenticity of any lot, no warranty whatever is given by Sotheby's, its servants or agents, or any seller to any buyer in respect of any lot and any express or implied conditions or warranties are hereby excluded.

(b) If within 21 days of the auction Sotheby's receives notice in writing from the buyer of a postage stamp lot claiming that an item is not genuine or does not correspond with the description in the catalogue and the lot is returned to Sotheby's by a date agreed by Sotheby's in the same condition as it was at the time of sale and on the original lot folder and Sotheby's agrees that the buyer's claim is justified, Sotheby's will rescind the sale and refund any amount paid to Sotheby's in respect of the lot: Provided that no return will be accepted nor sale rescinded nor refund made if:—

(i) the lot is described in the catalogue or is announced by the auctioneer at the sale as being not subject to return or as being defective; or

(ii) the lot is a collection or mixed lot containing more than four items, in which case the lot is purchased by the buyer with all (if any) faults, lack of genuineness and errors of description including the number of stamps in the lot; or

(iii) the lot has been illustrated and the defect complained of is apparent in the illustration; or

(iv) there is a conflict of opinion or the Royal Philatelic Society London or B.P.A. Expertising Limited are unable to express a conclusive opinion.

(c) Where an extension has been granted under (d) below on an item which is proved not to be genuine then Sotheby's will rescind the sale and refund any amount paid to Sotheby's in respect of that item: Provided that:—

(i) within the extension period of 60 days Sotheby's receives back the item together with the certificate stating that it is not genuine; and

(ii) the certificate of either the Royal Philatelic Society

London or B.P.A. Expertising Limited obtained under (d) below is conclusive; and

(iii) all costs in connection with obtaining such certificate are the responsibility of the buyer regardless of the opinion received; and

(iv) the buyer has paid for the lot in accordance with Conditions 6 or 7.

(d) If Sotheby's receives a written application for an extension on a lot not later than 24 hours before an auction from an intending buyer, Sotheby's may grant an extension for a maximum of 60 days from the date of the auction during which the buyer may obtain a certificate of genuineness or non-genuineness from the Royal Philatelic Society of London or B.P.A. Expertising Limited: Provided that no extension will be granted on:—

(i) a collection or mixed lot containing more than four items or a single item contained in such a lot; or

(ii) an item which is described as accompanied by a specified certificate of opinion.

(c) Sotheby's reserves the right on behalf of the seller to withdraw a lot on which an extension has been requested under (d) above.

(f) A buyer's claim under this Condition shall be limited to any amount paid in respect of the lot and shall not extend to any loss or damage suffered or expense incurred by him.

(g) The benefit of this Condition shall not be assignable and shall rest solely and exclusively in the buyer who, for the purpose of this Condition, shall be and only be the person to whom the original invoice is made out by Sotheby's in respect of the lot sold.

#### Conditions mainly concerning sellers and consignors

##### 17 Warranty of title and availability

(a) The seller warrants to Sotheby's and to the buyer that he is the true owner of the property or is properly authorised to sell the property by the true owner and is able to transfer good and marketable title to the property free from any third party claims.

(b) The seller of property not held by Sotheby's on its premises or under its control, warrants and undertakes to Sotheby's and the buyer that the property will be available and in a deliverable state on demand by the buyer.

(c) The seller will indemnify Sotheby's, its servants and agents and the buyer against any loss or damage suffered by either in consequence of any breach of (a) or (b) above on the part of the seller.

##### 18 Reserves

The seller shall be entitled to place prior to the auction a reserve on any lot, being the minimum "hammer price" at which that lot may be treated as sold. A reserve once placed by the seller shall not be changed without the consent of Sotheby's. Where a reserve has been placed, only the auctioneer may bid on behalf of the seller. Where no reserve has been placed, the seller may bid, either personally or through the agency of any one person.

##### 19 Authority to Deduct Commission and Expenses

The seller authorises Sotheby's to deduct commission at the "stated rates" and "expenses" from the "hammer price" and acknowledges Sotheby's right to retain the premium payable by the buyer in accordance with Condition 3.

##### 20 Insurance

Unless otherwise instructed, Sotheby's will insure property (other than "motor vehicles") consigned to it or put under its control for sale and may, at its discretion, insure property put under its control for any other purpose. In all cases save where Sotheby's is required to insure, the property shall remain at all times at the risk of the seller or consignor and neither Sotheby's nor its servants or agents will be responsible for any loss or damage whether caused by negligence or otherwise. Such insurance will be at the expense of the seller or consignor, will be for the amount estimated by Sotheby's to be, from time to time, the current value of the property at auction and will subsist until

whichever is the earlier of the ownership of the property passing from the seller or the seller or consignor becoming bound to collect the property.

##### 21 Electrical and Mechanical Goods

The seller or consignor of electrical or mechanical goods warrants and undertakes to Sotheby's that at the date on which the same are consigned to Sotheby's or put under Sotheby's control and except as previously disclosed to Sotheby's the same are safe if reasonably used for the purpose for which they were designed and free from any defect not obvious on external inspection which could prove dangerous to human life or health, and will indemnify Sotheby's its servants and agents against any loss or damage suffered by any of them in consequence of any breach of the above warranty and undertaking.

##### 22 Rescission of the Sale

If before Sotheby's remit the "sale proceeds" to the seller, the buyer makes a claim to rescind the sale under Condition 16 if appropriate and Sotheby's is of the opinion that the claim is justified, Sotheby's is authorised to rescind the sale and refund to the buyer any amount paid to Sotheby's in respect of the lot.

##### 23 Payment of Sale Proceeds

Sotheby's shall remit the "sale proceeds" to the seller not later than one month (or, in the case of numismatic items, 14 days) after the auction, but if by that date Sotheby's has not received the "total amount due" from the buyer then Sotheby's will remit the "sale proceeds" within five working days after the day on which the "total amount due" is received from the buyer. If credit terms have been agreed between Sotheby's and the buyer, Sotheby's shall remit to the seller the sale proceeds not later than one month (or, in the case of numismatic items, 14 days) after the auction unless otherwise agreed by the seller: Provided that where in the case of postage stamps Sotheby's has granted an extension it shall remit the "sale proceeds" when a certificate of genuineness is received by Sotheby's or sixty-five days after the auction, whichever is the sooner, but if by then Sotheby's has not received the "total amount due" from the buyer then Sotheby's will remit the "sale proceeds" within five working days after the day on which

the "total amount due" is received from the buyer.

24 If the buyer fails to pay to Sotheby's "the total amount due" within 3 weeks after the auction, Sotheby's will endeavour to notify the seller and take the seller's instructions as to the appropriate course of action and, so far as in Sotheby's opinion is practicable, will assist the seller to recover the "total amount due" from the buyer. If circumstances do not permit Sotheby's to take instructions from the seller, the seller authorises Sotheby's at the seller's expense to agree special terms for payment of the "total amount due", to remove, store and insure the lot sold, to settle claims made by or against the buyer on such terms as Sotheby's shall in its absolute discretion think fit, to take such steps as are necessary to collect moneys due by the buyer to the seller and if necessary to rescind the sale and refund money to the buyer.

25 If, notwithstanding that the buyer fails to pay to Sotheby's the "total amount due" within three weeks after the auction, Sotheby's remits the "sale proceeds" to the seller, the ownership of the lot shall pass to Sotheby's.

#### 26 Charges for Withdrawn Lots

Where a seller cancels instructions for sale, Sotheby's reserves the right to charge a fee of 10% of Sotheby's then latest estimate or middle estimate of the auction price of the property withdrawn, together with Value Added Tax thereon and "expenses" incurred in relation to the property.

#### 27 Rights to Photographs and Illustrations

The seller gives Sotheby's full and absolute right to photo-

graph and illustrate any lot placed in its hands for sale and to use such photographs and illustrations and any photographs and illustrations provided by the seller at any time at its absolute discretion (whether or not in connection with the auction).

#### 28 Unsold Lots

Where any lot fails to sell, Sotheby's shall notify the seller accordingly. The seller shall make arrangements either to re-offer the lot for sale or to collect the lot and to pay the reduced commission under Condition 29 and "expenses". If such arrangements are not made:—

(a) within 7 days of notification, the seller shall be responsible for any removal, storage and insurance expenses;

(b) within 3 months of notification, Sotheby's shall have the right to sell the lot at public auction without reserve and to deduct from the "hammer price" any sum owing to Sotheby's including (without limitation) removal, storage and insurance expenses, the "expenses" of both auctions, reduced commission under Condition 29 in respect of the first auction as well as commission at the "stated rates" on the sale and all other reasonable expenses before remitting the balance to the seller or, if he cannot be traced, placing it in a bank account in the name of Sotheby's for the seller.

29 Sotheby's reserves the right to charge commission up to one-half of the "stated rates" calculated on the "bought-in price" and in addition "expenses" in respect of any unsold lots.
