Welcome!

We have an interesting and lengthy offering in our 14th Public Auction with material to interest a wide range of collectors. Part I of the Frederick A. Bell collection features his Australia exhibits with Kangaroos, King George V Heads, the rare Ross Smith Vignette mint and on cover and other flights. His Barbados exhibit and a strong section of King George VI era including errors, watermark varieties, blocks and large multiples round out his holdings. Part II of his material will be in the Fall sale.

The Thomas S. Osdene, Ph.D. collection of Nyasaland is presented in conjunction with Alan MacGregor of Simons Town, South Africa whose noble efforts and expertise in the preparation of this sale are most humbly appreciated! Tom assembled a major holding of mouth-watering proofs and essays to tempt the specialists in this interesting area plus a large group of blocks, revenues and plate varieties.

The British West Indies are well-represented with a marvelous, specialized collection of St. Kitts and Nevis pre-stamp covers, rare St. Vincent revenues, early Br. Guiana, Jamaica with items from the Marcus Samuel reference collection, and a strong section of Leeward Islands. Sprinkled among the West Indies are small groups of WWII censored covers that will interest specialists in that area.

The Falkland Islands section contains much used material and interesting postal history and has numerous very scarce WWII censored covers. German Propaganda Forgeries are well-represented. Early New Zealand Crowned Circles and Chalon Heads are from the George S. Mansfield collection. A section of Cook Islands includes a rare and spectacular essay and many unique proofs. And we have a small but interesting group of Rhodesia Double Heads with a newly discovered SG143a. There is only one lot from Rhodesia & Nyasaland but it is outstanding: the unique 1966 1/3 color omitted in a complete sheet!

Please, please try to get your bidsheets to us by the day *before* the sale. This sale starts at 11AM. Our fax machine is temperamental and some bidsheets have been lost when it became overloaded at the last moment. We suggest you confirm receipt. Complimentary prices realized are sent to all successful bidders about two weeks after the sale and are posted on our website at the same time. Note: the Fall sale is nearly full, so if you have material that you would like us to include, please contact us quickly.

Now on with the sale!

Cordially,

Phoebe A. MacGillivray
